

2011-12 Paper-Based Test Centers – U.S. & U.S. Territories

NOTE: The paper-based GRE revised General Test is not offered in areas of the world where computer-based testing is available.

Testing is available up to three times per year for the GRE Subject Tests. Register [online](#) or complete the [paper-based registration form](#). Register early to get your preferred test date.

The ■ indicates that Subject Tests will be offered at that test center on that test date. A blank space means that the center has not been scheduled for that test date at this time. If you live more than 125 miles from an open center, GRE may consider opening a test center closer to you. See [Supplementary Test Centers](#).

There may be additions, deletions, or changes to this test center list during the testing year. Check the [online registration system](#) for the most up-to-date list.
