GENERAL ENGLISH

One Word Substitution

Substitution is also a variant of vocabulary test. In this test, you are required to use one word for a sentence or a part of a sentence. There are certain specific words that stand for a group of words or indicate a place, a situation or state of mind. In fact, substitution plays a great role in achieving brevity of speech and writing. To communicate effectively in minimum time it is very important to acquire knowledge in this area, it also enhances the proficiency of the language. Thus, this art helps you adjust to the contemporary situation. You can master it by the usual proc-ess of learning it and committing it to memory by constant use and rigorous practice. A command in the art of substitution will help you immensely in sentence completion as well.
