- Read the following paragraph understand and interpret.

One of the greatest weaknesses was undoubtedly the low priority given to primary education and public health. This was going to haunt India for a long time to come. Other countries like China and Korea which also began a new innings around the same time did much better on these two counts as compared to India.

(OR)

I do not understand how you can abolish untouchability without abolishing the very caste system. Untouchability is nothing but the symptom of the disease, namely, the caste system... Unless we can do away with the caste system altogether there is no use tinkering with the problem of untouchability superficially.

- Locate the following places in the map of 'The World'.
  - Nepal
  - Capital of China

c) Vietnam  
www.sakshieducation.com
