SCHEDULED CASTES COMPONENT

The Budgetary Classification System provides normative frame work for both policy Formulation and Accountability. Hither to the Government have been following Plan & Non-Plan system of Classification. Now, as per the decision of the Government of India, to merge Plan & Non-Plan expenditure and Classify the Government expenditure under Capital and Revenue, the budget allocations are made accordingly.

As the distinction between Plan & Non-Plan has been removed and there is no Plan from the fiscal year 2017-18, the allocation for the Scheduled Castes Component are based on percentage of total schemes allocation for both Centrally Sponsored Schemes and State Government schemes and by duly ensuring that the allocation to the Scheduled Castes Component will not be less than the percentage of SC Population.

On these lines, Budget allocation for 2018-19, is made for the schemes which would secure direct and quantifiable benefits to Scheduled Castes Individuals or Scheduled Castes Habitations.

An amount of Rs.1122810.59lakhs, has been allocated under Scheduled Castes Component 2018-19. A brief summary of Financial allocation under Scheduled Castes Component 2018-19 is given below.
