---

**Recruitment of Junior Research Fellow (JRF) or Project Associate-1 for the research project funded by DST (SERB)**

Applications are invited from Indian nationals for the one post of Project Associate-1 or Junior Research Fellow (JRF) for SERB Research Grant. The details of the project and the post for recruitment are given below:

- Project Title** : **Biological potential of new rhenium(I)tricarbonyl-/rhenium(I)dicarbonyl-azolate motif-based acyclic and metallo-supramolecules: Synthesis, structural characterization, solution studies and biological active studies**
- Project Duration** : Two years
- Monthly emolument** : a) Junior Research Fellow (JRF): Rs. 31,000 (consolidated +24% HRA) for those who have qualified CSIR-UGC NET including Lectureship or GATE or qualified through National Examination of Government Departments and Agencies including IITs, IISERs, IISc.  
b) Project Associate-1: Rs. 25,000 (Consolidated +24% HRA) for others who do not fall under the above category.
- Essential Qualification** : B.Sc (Chemistry) and M.Sc (Chemistry) from a recognized Institute/University with at least 60% marks or at least 6.5/10 Cumulative Performance Index (CPI) or Cumulative Grade Point Average (CGPA).  
Preference will be given to candidates having research experience and candidates having qualified GATE or CSIR-UGCNET(LS) or any other national examinations of Government Departments/Institutes.
- Age limit** : 28
- Job Description** : The candidate is required to assist in carrying out various activities under the project to complete the objectives and deliverables in time as per schedule. However, the candidate will be allowed to register for his/her Ph.D. degree in the school if qualified.

Application Procedure : Candidates should fill the form (form attached) and send it to me via mail on or before 20<sup>th</sup> Dec. 2024, 5.00 PM.

In-complete application will not be considered

Investigator : Dr.M. Sathiyendiran
