Ph.D. Admissions 2024-25

Employees' State Insurance Corporation is a statutory body constituted under an Act of Parliament (ESI Act, 1948) and works under the administrative control of Ministry of Labour and Employment, Government of India. ESIC Medical College & Hospital, Faridabad is established with a divine mission of bringing Medicare of International Standards to the doorsteps of the poor workers i.e. insured persons (IPs), and to roll out medical graduates of modern scientific medicine capable of functioning independently in both urban and rural environment.

The Doctoral Degree Programme:

ESIC Medical College & Hospital, Faridabad is affiliated to the Regional Centre for Biotechnology, Faridabad (An Institution of National Importance, established by the Department of Biotechnology, Government of India, under the auspices of UNESCO). The Institution offers a Doctoral Research Programme for awarding Ph.D. degree to the students holding medical graduate and/or postgraduate degree, postgraduate degree in science or technology. The selection process will be done through a written examination followed by a personal interview. The selected candidates will undergo the Course work programme followed by research to accomplish the Doctoral thesis under the mentorship of faculty. The programme is suited for candidates looking for multidisciplinary clinical and translational health research. The Institution offers the Ph.D. programme in Biomedical Sciences as a broad specialty with specific focuses on the following subspecialties:

Broad Specialty: Biomedical Sciences

Subspecialties:

Maternal & Child Health	Cardiopulmonary Physiology & Medicine (Medical Physiology)
Molecular Biology & Genetic Engineering	Neurosciences (Medical Physiology)
Structural Biology & Bioinformatics	Reproductive Medicine
Cell & Developmental Biology	Integrative Medicine (AYUSH)
Immunology & Immunotechnology	Oral & Dental Sciences
Survival Analysis & Clinical Trials	Clinical Physiology (Medical Physiology)
Neurophysiology	

Eligibility criteria:

Candidates seeking admission to the course of study leading to the award of a Degree of Doctor of Philosophy in Biomedical Sciences must possess at least one of the following qualifications:

(i) Academic qualifications:

Medical: Candidates having MBBS/BDS or MD/MS/MDS/DM/MCh from medical Institutions recognized by the Medical Council of India (National Medical Commission) in the subject concerned are eligible to apply.

Non-Medical: Candidates holding Postgraduate/ Master's Degree (two years course) such as M.Sc., M.Tech or an equivalent awarded by Indian are eligible to apply.

Candidates possessing Master's degree through distant learning courses are not eligible.

Desired qualifications:

Non-medical candidates who have preferably qualified one of the following National Entrance Tests in the last two years (July 2022 to July 2024), leading to the award of a fellowship.
